ABOUT ME

I am a motivated and eager-to-learn student with a strong interest in technology and providing good customer service. Through my experiences in various sectors (retail, hospitality, entertainment, etc.), I have learned to collaborate well, solve problems smoothly, and create pleasant experiences for others. I would like to further develop my skills during an internship, continue learning, and hopefully make a useful contribution to the team.

WORK EXPERIENCE

Cashier / Student - Brico, Hasselt

Aug 2025 - Sep 2025 · student job

Stocking shelves, keeping displays tidy, assisting customers in a friendly manner, and operating the cash register in a busy DIY store.

Bartender & Staff - Versus, Hasselt

Apr 2025 - Jun 2025 · student job

Preparing drinks, taking orders, and serving customers with a smile in a lively club; always trying to resolve issues quickly and politely.

Production Worker - Studio Pieter Stockmans, Genk

Jan 2025 · 2 weeks

Assisted in making, decorating, and presenting porcelain products.

Actor / Technician - Old Tucson Company, Arizona (USA)

Oct 2022 - Dec 2024

Played characters to give visitors an enjoyable experience and operated lights/sound during shows and events.

Seasonal Moving Assistant - Uyttendaele European Moving, Aarschot

Summer 2019 · 4 weeks

Helped load/unload trucks and carefully and efficiently moved goods as part of a team.

EDUCATION & COURSES

Full Stack Developer (Diploma) - SyntraPXL, Hasselt

2025 - 2026 (ongoing)

Object-oriented programming, REST APIs, PHP/Laravel, Node.js, security, frontend (Angular/J\$), and Agile methodologies.

Dutch - KU Leuven, Institute for Living Languages

Feb 2025 - Jun 2025

Advanced Dutch language course with focus on professional communication.

Marana High School - Arizona, USA

2019 - 2022

Completed secondary education.
